Sir:

SUPPLEMENTAL AMENDMENT/RESPONSE

This Amendment is supplemental to the Amendment filed on September 23, 2004 and is intended, per agreement with Examiner Chen during a teleconference on November 2, 2004, to correct certain errors of form noted in the claims of the original Amendment by replacing and superseding that previous Amendment. That Amendment was submitted further to the Notice of Appeal received by the Office February 23, 2004, and responsive to the Office Action dated October 21, 2003, along with an appropriate extension of time for five (5) months from the due date of the Appeal Brief, and a Request for Continued Examination (RCE), and appropriate fees. No fees are believed due with this supplemental submission.

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks/Arguments begin on page 15 of this paper.
